INTRODUCTION

For over 50 years, Ar.pa Lieviti has been artisanally producing and selling yeast for sweet and savoury dishes, and mixes for custard, pudding and panna cotta. This catalogue presents a wide range of products dedicated to beginners and experts alike including: starches and potato starch, vanillin and gelatin. All our yeasts are gluten free and all the raw materials that Ar.pa uses are carefully selected in compliance with high quality standards. Ar.pa Lieviti combines tradition and innovation to continuously offer the market new products in line with different nutritional needs and modern lifestyles.

The background of the slide is a dark, rich brown wood with a prominent horizontal grain pattern. On the left side, three light-colored, unpeeled potatoes are visible. One potato is in the foreground, slightly below the center, showing its characteristic shape and small indentations. Above it, two more potatoes are partially visible, stacked vertically. The lighting is soft, highlighting the texture of the wood and the skin of the potatoes.

STARCHES
